- Overload detection and protection.
- Includes a Velcro patch to attach it to any surface.
- Compatible with Windows VISTA / XP / 2000 / 98SE / ME / MAC OS X and Linux.

PRODUCT CONTENTS:

INSTALLATION

Please note that in order to install the Nexoos 370 Series 4 ports HUB you need a free USB connector in your computer.

Follow these steps to install it:

1. Connect the USB cable to the HUB, using the mini-B USB connector of the provided cable.

2. Connect the other end of the USB cable, the "A" type connector, to a free USB port on your computer.

3. The HUB will be ready to use. Connect the USB devices that you wish to any of the four available ports.
